AMERICA SALUTES

VIRTUAL HIGH SCHOOL ENLISTEE

National Recognition Ceremony

PREMIERING JULY 4TH
11AM | 3PM | 6PM EST

GLOBAL LIVESTREAM

Because of the COVID-19 health crisis, OCS is hosting America Salutes— an inaugural Virtual High School Enlistee National Recognition Ceremony to replace the in-person events that would have been held across the country this spring to recognize and honor the graduating seniors who have decided to enlist in the military after high school.

America Salutes will be a one-hour pre-recorded, livestream broadcast ceremony premiering on July 4th, 2020 and will air multiple times through July and August before being archived on the Our Community Salutes website.

The event will be hosted by a well-known celebrity and featuring prominent members of the military from across all services, home performances from well-known musical artists, and 'thank you' video messages from recording artists, celebrities, parents and service- members in the field.
