

****Please read this letter, and fill out the parent survey found on my website to confirm****

Hello! My name is Ms. Levenson and I will be your child's Geometry teacher this year.

What does your class look like?

Students will work in a variety of ways, including whole class instruction, group or independent work, projects, technology time, and tests/ quizzes.

Will there be homework?

I like to call it home *learning*, as the activities will be designed to either introduce, review, or practice skills covered in class. Most of the home learning **WILL** require use of a computer/ tablet and internet, so **PLEASE** let me know if this will be an issue for you (so we can problem solve together).

Can my child get extra help?

Yes. A tutoring schedule will be forthcoming, as will a more extensive list of websites and resources students can use to study. I can also be available before and after school, per students' requests.

What are your rules?

I do not allow any food (or gum), cosmetics (brushes, combs, makeup), or cellphones in my class. Your child must be in uniform and with their ID around their neck at all times. I am very strict about tardies and attendance, and will communicate with you if issues arise.

Please review my syllabus for additional rules and procedures.

What do they need for your class?

They must bring a pencil, colored pen, and binder with paper every day. They are required to have a tablet (provided by the school) and bring it to class every day. This is to ensure they are ready to learn every single time! I also **highly suggest** you purchase them a **calculator** (TI-30XA or similar), **ruler**, **compass**, and **protractor**, and **dry erase marker**.

Can I call you or arrange a meeting?

I make myself available for parent conferences every day, and you are always welcome to call, text, or e-mail me.

My information is as follows:

Class Phone: 305-532-4515 ext 2284

E-mail: hlevenson@dadeschools.net

Website (will be updated): <http://miamibeachhigh.schoolwires.com/Domain/356>

What do you need from me?

I need your support in having your child follow my rules and completing their work, to ensure his or her success.

I also need your contact information, so please **fill out my survey OR** cut off and fill out the bottom of this form, and return it to school with your student (or in my mailbox)
